Dear Sir,

1. Indian Air Force (IAF) launched the second edition of the Mehar Baba Competition (MBC-II) on 06 Apr 2022 under the Hon'ble Raksha Mantri Shri Rajnath Singh. The theme of the competition is "Swarm Drone Based Foreign Object Detection on Aircraft Operating Surfaces".

2. MBC has a clear aim, to stimulate the development of indigenous industries in the field of unmanned aerial systems (UAS) and finding innovative solutions to detect foreign object debris on aircraft operating surfaces, which will benefit the entire aviation industry. The details of the competition can also be accessed on IAF website (<https://indianairforce.nic.in/mehar-baba/>).

3. A Committee of Experts (CoE) has been formed to assess the proposals of the participants. Dr. Himanshu Mittal, Assistant Professor. Dept. of CSE-AI, at your University has been
